

Thank you for your interest in Wylie Elite All-Stars. As we enter our 12th season, we are excited about the growth within our program and are looking forward to another successful year! Wylie Elite is an organized All-Star or “select” level sports program, which requires the commitment of the athlete and family. To build the best teams possible, we are looking for athletes that are willing to commit a full year to our program, work hard to improve individual skills, and be loyal to their team.

Because the industry standards are constantly changing and becoming more competitive, we will be very selective in our placement process. Our goal is to have teams that are as level appropriate and mature as possible. If an athlete does not make an All-Star Elite team, they will be offered a place on one of our Prep teams for the season!

Wylie Elite All-Star Elite Try-Out Information 2019-2020

Athlete Expectations Per Level

We often have a lot of questions concerning the skills your child needs to be considered for a certain level team. We have put together a list on the following page of what judges are looking for during team performances. This will be a good list to go over with your cheerleader as they work to progress their skills before tryouts, and to set reasonable expectations for their placement. Although we may not require every single one of these skills at the time of tryouts, we do expect the skills to be mastered within each level and to be performed with strong and proper technique.

***Please note that just because an athlete can perform a majority of a particular level of tumbling skills does not mean that he/she will make that same level team. We make our placement decisions on a multitude of criteria, including age, and maturity. Not all athletes are ready for the structure and commitment that is required for our Elite program.**

Try-Out Evaluation Information

Athletes will need to attend the two clinic dates/times for their age group prior to their try-out. They are only allowed to attend one tryout. Athletes will work tumbling skills, jumps, and learn a dance. Evaluations will be done during the clinics with a final evaluation at the try-out. Try-out registration is online and the fee will include a t-shirt. On the day of try-outs, a \$220 deposit will be due. If your athlete makes a team, that amount will be applied to their practice wear. If they do not make a team, the amount will be refunded or credited to your account. **If your athlete makes a team and decides not to join our program, the deposit will not be refunded and practice wear will not be ordered for the athlete.**

Team Expectations

Team Placement

Once both weekends of tryouts are complete, coaches will meet to discuss team placement. Coaches will send out placement emails by Wed, 05/29. Placement will be based on several factors. If the coaches are unsure where an athlete would fit best, the athlete may be asked to attend 2 different team's practices until a final decision is made. **Also, note that placement on a team could change to ensure teams are set up to have a successful season. Final team placement will be decided by late July/early August.**

There will be a MANDATORY parent meeting on June 2nd at 4:00 pm. At least one parent is required to attend.

Stunt Camp

All teams will be participating in a stunt camp on June 18 & 19. Each team will attend both days from 9am-4pm. This is mandatory, as this is the first phase of their choreography. The cost for the camp is \$185. The cost will be auto-drafted from your account on 06/01 with June tuition. *There will be modified practices the week of stunt camp.*

Choreography

This season, choreography dates will be as follows:

Tiny –Ongoing during practices

Mini/Youth – July 14-22

JR/SR – July 27 thru Aug 10. Your athlete will have at least 3-4 days dedicated to their team choreography during those dates.

We will set the actual days/times for each team by mid-June. These dates are mandatory! *There will be no regular practices during their week of choreography.*

Team Expectations-Practices

All team members are expected to attend all scheduled practices. Teams will practice 2-3 times a week, with each practice ranging from 1.5-2 hours starting June 3, 2019 thru May 2020. Once competition season arrives, there will be additional practices scheduled!

All teams will have one of their practices on a Sunday afternoon and our summer schedule will often be different than the fall schedule. We do occasionally make modifications to team schedules throughout the year.

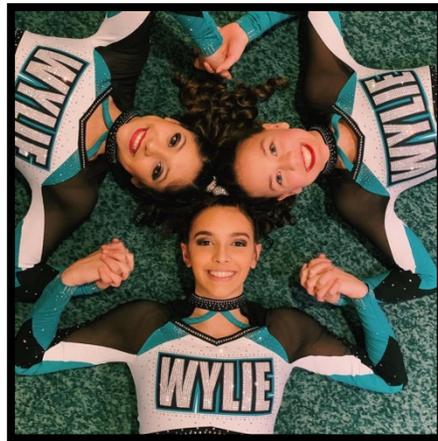

Practice Wear

Each athlete will receive 3 coordinating sports bras and shorts for team practices. They will have the option to purchase a fitted tank in lieu of the sports bra for an additional cost.

They will need to purchase a solid white pair of cheer shoes.

Coaches will designate which practice clothes are to be worn on which day.

Each team member is expected to wear the correct outfit to each practice.

Team Expectations - Competitions

Our Mini-Senior teams will compete at 6-7 competitions and Tiny Teams will compete at 5 competitions between the months of Oct-May. We will finalize our 2019-2020 competition schedule no later than the end of June. Most competitions will be in the DFW metroplex. We plan on going to 1-2 out of town competition this season. There is the possibility of competition changes throughout the season, as we see necessary.

There is a chance of teams competing on a Friday or having to miss school for travel during competition season.

Event producers can change dates/times unexpectedly, so the calendar we put out could be modified at any time. Any team that receives a Paid, At-Large, or Wildcard bid to The Summit, will be going. This is not an optional trip. If you are not interested in going to The Summit, then we recommend not trying out for an All-Star Elite team. Summit is an additional cost that is not included in our pricing.

Competition Wear

We will have the same uniform as last season. The cost will be \$450 plus tax. There will be an opportunity to purchase a resale uniform for half the cost in the summer.

Team Expectations - Attendance

All-Star cheerleading is similar to a select sport. It takes full commitment from both the athlete and the family. Before trying out, we ask that parents and athletes consider the time and the attendance requirements to avoid conflicts. We realize many children and young adults like to be involved in a variety of activities; however, with the high commitment level that this sport demands, we ask that they choose one. The team and individual can only be successful with everyone at practice. We will do our best to accommodate school cheer schedules but we will not work around additional activities. We reserve the right to remove anyone from a team if they habitually have absences.

In the summer, each athlete is allowed 6 excused absences during the months of June-Aug if a 7-day notice is submitted. Since our sport is a year-long activity, we realize vacations and other events are a much-needed break from our rigorous schedules. However, summer is a great time for growth for most athletes, so we recommend that an athlete does not miss more than 2 consecutive weeks of practice during the summer to maintain their current skills.

During the school year, the only excused absences are school functions that result in a grade, a contagious illness, or a funeral. All other absences such as, but not limited to: part-time jobs, vacations, homework/studying, not having a ride, personal issues, and birthdays will be unexcused.

All athletes are expected to attend Teal Reveal and all competitions, including those out of town. If an athlete misses a competition and we have to pull the team from competing due to the absence, that member will be responsible for the amount to refund each team member's competition fees.
