

Wylie Elite Hip-Hop Information Packet 2019-2020

Welcome to Wylie Elite Dance!

Thank you for your interest in our competitive dance program! We are so excited to share our 2019-2020 competitive hip-hop team information.

Our vision and goal for all our programs is to build our athletes from the inside out. We achieve this by starting with a strong foundation and progressing your child at his/her own pace in a motivating, positive environment. We focus on character and core values to mold them into solid competitive team players.

Audition/Registration Information

Auditions – Sat, June 8, 2-4 pm

We will be having auditions for our competitive team on Sat, 06/08 from 2-4 pm. Athletes should wear black shorts or pants, black top or bra top, shoes, and hair in a pony tail.

You will need to pre-register online by 06/07, in order to audition.

To register for hip-hop try-outs, you will need to log into our Parent Portal at wylieelite.com. Click on Hip-Hop Team Try-Outs, then enter the required information. The try-out fee is \$40.

Private auditions are available for a fee of \$100. If you wish to schedule a time, please contact Coach Chelsey at Chelsey@wylieelite.com.

Expectations

Practices

Team practices will begin the week of June 17th. Summer practices will be for 1 hour once a week for Mini teams, and 1.5 hour for Youth/Junior/Senior Teams.

Our fall schedule will start the week of Sun, Aug 11 and is often different than the summer schedule. When the fall schedule starts athletes will have a 1.5 hour practice, twice a week.

It is extremely important to notify us in advance of any conflicts you may have when registering your athlete online. The team can only be successful with everyone at practice. It is not uncommon for us to schedule extra practices within the couple weeks prior to a competition.

Mandatory Parent Meeting

There will be a parent meeting at the beginning of their first practice. At least one parent needs to attend!

Choreography – Mandatory

Mini	Youth/Junior/Senior
July 23 rd 9:00-12:00 pm	July 24 th 1:00-4:00 pm
July 24 th 9:00-12:00 pm	July 25 th 9:00-12:00 pm

Competitions

Teams will attend 4 local competitions throughout the season starting in December and ending in April. We will finalize our competition schedule by the first week of practices. Keep in mind that events can sometimes change, therefore the schedule could be modified at any time.

There is a possibility of receiving a bid to The Dance Summit or Dance Worlds. We will accept any bids received, which means a trip to Disney World in May! This is an additional expense not included in our pricing. This is not an optional trip. If you are not interested in potentially going on this trip, then we recommend not auditioning at this time.

The cost for practice wear will be \$175. We will send out times for practice wear fittings once registration has been closed. The amount for practice wear will be due on fitting day so we can get the order placed immediately. This will include 1 coordinating sports bra, 2 tops, a pair of shorts and pair of capris. Athletes will wear black tanks/shirts and shorts until practice wear arrives.

Competition Uniform & Fittings

Uniforms will be an estimated cost of \$150 for Mini teams and \$225 for Youth/Junior/Senior Teams. We will also be ordering a custom pair of shoes to go with their uniform, at an additional cost. Payment will be due at the fitting or the uniform will not be ordered. Fitting day/time for uniforms will also be sent out after registration closes.

Attendance Policy

Attendance is mandatory. We include this policy in our information packet in order to communicate what our expectations are when it comes to practices and competitions prior to signing up. The only excused absences from practice will be for school functions that result in a grade, family emergencies or illness. If your athlete is sick, they still need to come to practice (unless contagious). They will not be required to participate; however, they still need to be present. All competitions are mandatory, even if an athlete is sick.

Financial Obligations

To help spread out the expense of the program, we offer monthly pricing that includes regular scheduled team practices, extra practices, competition fees and choreography/music.
