ELITE TEAMS

INTRODUCTION

We are beyond excited to begin a brand-new season doing what we love...building champions from the inside out. As we head into our 19th season, we have so many exciting plans and a strong vision for our Wylie Elite gym family.

Wylie Elite is an organized All-Star cheer program that requires commitment from both the athlete and their family. To build the strongest teams possible, we are seeking athletes who are willing to commit to a full year in our program, work hard to develop their individual skills, and demonstrate loyalty to their team.

As industry standards continue to evolve and competition grows stronger, our placement process has become increasingly selective. Our goal is to form teams that are both level-appropriate and mature, ensuring the best possible experience for every athlete. If an athlete is not placed on an All-Star Elite team, they will be offered a position on one of our competitive Rising Star teams for the season.

SKILL LEVEL EXPECTATIONS

Below is a list of the skills judges look for at each level to help athletes prepare for tryouts, set clear placement expectations, and ensure all required skills are fully mastered and performed with strong, proper technique. Athletes will also be evaluated on their stunting abilities during clinics. Both tumbling and stunting abilities will be considered when determining each athlete's team placement

TRYOUT CLINICS

All athletes are required to attend tryout clinics. Athletes should attend the time block for the level they plan to try out for. Clinics will focus on jumps, dance, tumbling, and stunting, allowing our coaches additional time to work with athletes and better evaluate their skills and overall potential.

Athletes may be asked to attend a different level clinic based on a coach's recommendation. We strongly encourage athletes to try out for the level in which all required skills have been fully mastered. Athletes will have the opportunity to demonstrate higher-level skills at the end of tryouts; however, **placement should not be expected at a level if all required skills are not consistently mastered.**

PRACTICES

Team members are expected to attend all scheduled practices. During the summer schedule, teams will practice three days per week (Monday–Friday only), beginning the week of June 1, 2026. From August 10, 2026 through May 2026, teams will practice once during the week for 2.5 hours per practice and once on the weekend for 3 hours.

During the two weeks prior to every performance, one additional mandatory weekday practice will be scheduled. Once competition season begins, additional practices may be added as needed. Please note that practice schedules may be adjusted throughout the year when necessary.

PRACTICE WEAR

Each athlete will receive 2 coordinating practice wear sets. Fittings for practice wear will be during the tryout clinics.

MANDATORY CHOREO

Choreography is mandatory for all athletes.
July 13th - July 17th

BASICS CAMP

All teams will participate in a stunt camp to learn foundational stunting skills in preparation for Action Spirit Camp. The camp will take place on June 19th & 20th from 11:00 AM - 4:00 PM.

ACTION SPIRIT CAMP

Elite teams will attend a **mandatory** stunt camp hosted by outside choreographers on June 26th & 27th, 9:00 AM – 4:00 PM. This camp is the first phase of their choreography. The cost is $220, auto-drafted on June 15. Modified practices will be held that week.

Absences from Action Spirit Camp will still require payment and may result in a reduced or modified role, as stunt choreography is taught during this camp.

COMPETITIONS

All teams will compete at 6-7 competitions. We will finalize our 2026-2027 competition schedule in late summer. Most competitions will be in the DFW metroplex. We plan on attending 1-2 out-of-state competitions this season. Travel expenses are not included in our pricing.

**Any team that receives a Paid, At-Large or Wildcard bid to The Summit will be going. This is not an optional trip. If you are not interested in going to The Summit, we recommend not trying out for an All-Star Elite team. Summit is an additional cost not included in our pricing.*

UNIFORMS

All teams will be using the same uniforms as last season. We will be holding a uniform resale for families who may need to purchase or exchange uniforms on June 20th. Uniform fittings will be held during the week of choreography.

ATHLETE ATTENDANCE

Success at competitions requires every team member to be present and fully engaged at practice. Full attendance and participation are mandatory. We understand that families may have pre-planned vacations, school events, or other commitments, and a limited number of absences will be allowed for the season. Athletes requesting to miss a practice must submit an absence notification form online and will be expected to adhere to the team's absence policy.
